Re: FOIA Request Asbestos Dump Site  
White Bridge Road Satellite Site  
Major Residence

Dear Mr. Jarvis:

This letter is in response to your Freedom of Information Act Request dated September 24, 1990. In the interest of time I am responding to this letter directly rather than sending it through the official FOIA channels here at the Agency. For your future reference, however, FOIA inquiries must be directed to the following address:

FOIA Information Officer  
U.S. EPA  
26 Federal Plaza, Rm. 900  
New York, NY 10278

As we discussed on phone on Friday, September 28, 1990 you have already received much of the information which you are now requesting. In a letter from me dated September 14, 1990 I sent soil sample results taken August 2, 1990 and a Health Memorandum dated August 29, 1990. In a letter dated September 17, 1990 I sent to you a Health Addendum dated September 14, 1990. I have resent copies of the two health advisories (the Memorandum and the Addendum) issued by ATSDR. You have promised that you or your client will distribute these two health documents to all of their boarders and sign an affidavit indicating that it has been done. I await receipt of the affidavit and the access agreement which I provided to you.

In addition, I am enclosing an initial pollution report dated August 24, 1990 concerning the Site, a copy of a notice letter sent by EPA to National Gypsum dated August 30, 1990, a copy of a press release which EPA issued concerning the Site and dust and vacuum samples taken from the Major residence on August 24, 1990.

In response to your request for records of telephone communications and their contents between EPA and other persons

ABD 002 0398 11

50  
MDE 0000185

or agencies concerning the Site, I have contacted various EPA representatives to see if they have such records. There are no such records. If you wish to make a similar inquiry concerning ATSDR telephone records you should contact Debra Weimer, ATSDR, Office of Public Affairs, 1600 Clifton Rd., D-25, Atlanta, Ga. 30333.

Sincerely,

Carolyn Fiske  
Assistant Regional Counsel
